DETAILED ACTION
REASONS FOR ALLOWANCE

Claims 1-12 are allowed.

The following is an examiner's statement of reasons for allowance:

Umehara et al., Tanaka et al. and Nakamura et al. fail to disclose the combination of all the limitations recited, including a plurality of dummy pads arranged on the sides thereof at positions free of the I/O pads and spaced at the same pitch as the I/O pads, making the sides of the semiconductor chip full of the plurality of equally spaced I/O pads and dummy pads.

Therefore, the amended limitations together with the overall structuring of the tape carrier package is neither anticipated nor rendered obvious over the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
